Dear Sir,

MEMBERSHIP IN GS1 - SRI LANKA

We refer to your application for membership to GS1 - Sri Lanka and are pleased to inform you that the GS1 Bar Code number allocated to your company is **70010234**.

479	70010234	X	C
Country Prefix	Organization No.	Item No	Check Digit

According to the above format you may allocate item numbers **not exceeding one digit**, to your products, at your own discretion without further reference to GS1 - Sri Lanka. However, please note the following guidelines with regard to "item numbering" your products.

- * Each different variety of items, by product type and also by flavour, colour, perfume, and finish etc.
- * Each different retail pack size of an item.
- * Each promotional variant of an item, where a price difference is specified or where it is necessary to distinguish the stock keeping units separately.
- Each new modification to the item when the changes make a distinction necessary between old stock and new.
- Each different multiple pack of an item, where it is intended, or where there is a possibility that the multiple pack will be sold as a unit at retail level.

You are advised to inform us of all item numbers allocated by your company to the specific products, for our record purposes.

Please note that your membership in GS1 - Sri Lanka has to be renewed annually failing which the GS1 number allocated to your company would be withdrawn. Your membership will come into effect from July 1th 2012. Accordingly your GS1 Number will expire on June 30th 2013.

Should you need further clarification, please contact the Chamber Secretariat.

Yours faithfully,

GS1- SRI LANKA (Formerly EAN - Sri Lanka)
